

# ALFAGOMMA THE BREWT

The Brewt™ Brewery Hose was specially designed to provide a lightweight and flexible hose for worker safety, while still offering the strength and durability of stiffer and heavier brewery hoses.

## STRONG!

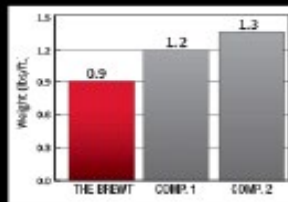

Steel wire helix and dual high tensile strength cord reinforcement provides resistance up to 150 PSI.

*Reduces heavy lifting injuries!*

## LIGHTER WEIGHT\*

\*based on 2" hose test results

## LIGHTWEIGHT!

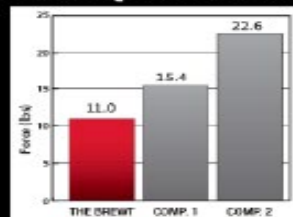

Up to 30% lighter than the leading competitors!

## HEAT RESISTANT!

Easily handles up to 226°F on a continuous basis, and can be cleaned at 266°F.

## FORCE REQUIRED TO BEND\*

\*based on 2" hose test results

## FLEXIBLE!

Up to 50% more flexible than the leading competitors!
