

Barb-Tech™ Poly-Lock Data Sheet

Take the **PUSH** Out of Push-Lock

BARB-TECH™

PUSH-LOCK ASSEMBLY TOOLS

Barb-Tech™ Poly-Lock is a portable and light weight tool to simplify the assembly of Push-Lok fittings into polyurethane tubing, commonly used for robotics and industrial automation systems.

Quickly install barbed fittings with ease by holding the fitting steady with our easy to change "Click-On" mandrels and hold the hose steady with clamp system, specifically designed to grip slippery polyurethane hoses.

Assembly tool kit, includes two straight fitting mandrels to securely hold 3/8" (#6) and 1/2" (#8) fittings for Parker 82 series. Optional mandrels are available for elbow fittings for the Parker 33782, & 33982 series)

Specifications

Barb-Tech™ Poly-Lock Assembly Tool

Carrying Case

Kit includes straight fitting mandrels for Parker 82 Series

3/8" (#6) Mandrel
