Take the **PUSH** Out of Push-Lock

**BARB-TECH™**

PUSH-LOCK ASSEMBLY TOOLS

Barb-Tech™ PQD is a portable and lightweight tool designed to streamline the assembly process of Quick Disconnect (QD) fittings commonly used in water systems within the plastic injection molding industry.

Featuring an optimized mandrel set, Barb-Tech™ PQD effortlessly accommodates straight and 90° Quick Disconnects, facilitating the installation of 1/4", 3/8", and 1/2" Push-Lok hoses for mold connections.

Barb-Tech™ PQD is offered in two versions. the difference is with the mandrels for the 90° Quick Disconnect fittings. You also have the option to purchase the other set of mandrels.

PQD-CM: Equipped with mandrels designed for Custom Mold Quick Disconnect 90° series fittings, CM-21X-PL, CM-31X-PL, and CM-51X-PL fittings and straight fittings.

PQD-PM: Equipped with mandrels designed for Parker Moldmate Quick Disconnect 90° fittings and straight fittings.

## FEATURES

- ✓ Easy change Click-On mandrel system
- ✓ Portable & lightweight
- ✓ Mandrels securely hold fittings
- ✓ Reduce downtime
- ✓ Designed for plastics injection molding industry
- ✓ Reduces physical effort to a 1/3
- ✓ Reduces installation time to a 1/3
- ✓ No external power source required
